

THE 3RD

GLOBALIZATION OF THE HALAL INDUSTRY TOWARDS SDGs

JULY
9 TH - 23 TH, 2024

Science and Technology Faculty, UIN Sunan Kalijaga Yogyakarta, is about to conduct the 3rd International Summer Course 2024 (ISC). We would like to invite International and Domestic students to join. This 14-day program (9th – 23th July 2024) will provide **credit transfer** for those who completed all the course sessions. The theme of the ISC 2024 is "Globalization of the halal industry towards Sustainable Development Goals (SDGs)" with five modules prepared to facilitate participants' knowledge of the halal industry. It offers opportunities to explore several global issues on halal industry development and its challenges to support SDGs. It further seeks to develop knowledge and awareness of halal products in society. All participants will visit small-scale halal industry and slaughterhouses with halal practice applied.
