Semarang-Indonesia, 3 June 2024

Dear
Rector University of UIN Sunan Kalijaga Yogyakarta

It is our great pleasure to announce the upcoming event of **International Walisongo Science Competition (IWSC) 2024**. On behalf of the IWSC Committee, we would like to invite you and your students as well as your university to participate in this exciting and prestigious international competition. IWSC is an international science Olympiad and scientific papers created by the Faculty of Science and Technology, Universitas Islam Negeri (UIN) Walisongo Semarang, Indonesia to accommodate students' creativity to channel valuable ideas in Science and Technology for a more advanced Indonesia. The theme is "The Synergy of Minds: Integrating Mathematics, Science, IT, and Environmental Engineering for a Sustainable Future", with the following competitions: Mathematics, Chemistry, Biology, and Physics Olympiad, and scientific papers: start-up innovation and innovation in environmental engineering.

The IWSC registration period had opened from **3 June – 3 July 2024**. Each University is given the opportunity to delegate a maximum of 10 students for each branch of the competition and they get a letter of recommendation from the home campus at least at the study program level. **Registration is free**. More information regarding contest registration, contest rules, contest guide book, and competition awards can also be found at <https://iwsc.walisongo.ac.id/>

We look forward to seeing great results from all the participants. Due to the high expected participation rate, teams are encouraged to register earlier for the competition. If you have any questions, please feel free to contact us directly.
